

Your RubyCi™ got you here. Commander® takes you further.

Limited-time offer

June 1 - July 31

Major oil branded locations* – Upgrade your RubyCi to Commander and Commander C18 Point of Sale before July 31 and get cash back on every unit. The more you upgrade, the more you save.

\$500

back per
Commander purchased

\$150

back per
M400™ purchased

Why upgrade from RubyCi?

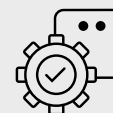

Same Verifone®. Better system.

A migration plan built around your site, your hours, your team.

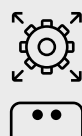

Compliance built in

Commander is built for PCI DSS 4.0.1.

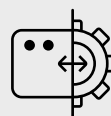

Modern capabilities from day one

Self-checkout, TruAge, foodservice, loyalty, every payment type, all on one screen.

Separate controller from terminal

Commander runs the site. C18 runs the counter. More capacity, more pumps, more room to grow.

Support more POS terminals

RubyCi is optimized for 1-2 terminals. Commander + C18 supports multiple lanes.

Work with your Verifone Authorized Reseller to claim your rebate

Contact your Verifone Authorized Reseller or visit verifone.com/commander/legacy to get started.

Offer valid June 1 – July 31, 2026 for qualifying major oil branded petro locations only. Unbranded locations should contact their Verifone Sales Rep for additional offers. Cannot be combined with Competitive Swap offer unless a second Commander or M400 is required for fleet processing. Rebate provided via check or account credit through your Verifone Authorized Reseller. Allow up to 60 days for processing following a verified qualifying purchase. Full rebate terms and conditions available at verifone.com/legal/commander-rebate. Verifone® and Commander® are registered trademarks of Verifone, Inc. RubyCi™, M400™, and MX915™ are trademarks of Verifone, Inc. Product display image for representation purposes only. Actual product display may vary.
